I do not think the further engineering will be of much use.

The 2nd recommendation is a special one & maybe sanctioned.

The young man if he is good at his work might later on be useful in the Chamarajendra Technical Institute

Secretary to the Government of
His Highness the Maharaja of Mysore
Departments of Education & Agriculture
B a n g a l o r e

SIR

I have the honour to state that one N D Venkatesaiya who was awarded a Technical scholarship of Rs 20/- per mensem to study carpentry and wood-carving at the Sir J J School of Art Bombay informs me that he has passed the 3rd year courses of carpentry and wood-carving as well as modelling with a prize in outline and requests that his scholarship may be continued for another year to complete his course The Principal of the Institution states that the extra year in modelling class will be very useful to the candidate in his future career and recommends the continuance of the scholarship for another year

Under these circumstances I request that Government may be pleased to continue his scholarship as a special case for another year from 1st January 1914 at Rs 20/- per mensem

I have the honour to be

Secretary to the Government of
His Highness the Maharaja of Mysore
Departments of Education & Agriculture
Bangalore

Sir

With reference to your letter No 13010/Edn 46-13-60 dated 24th June 1914 enquiring whether a fifth year course is considered necessary, in the case of D Venkatesaiah I have the honour to state that Venkatesaiah was awarded a scholarship originally for studying Carving and Wood-carving which he has completed besides attending the Modelling class. He has now completed the first three years course in Modelling and is studying for the 4th or the last year course and prays for a scholarship to complete the course. Under these circumstances I recommend that his prayer may receive the favourable consideration of Government.

I have the honour to be

Sir

Your most obedient servant

M Shama Rao
